PROHIBITED USERS:

The alpine coaster may not be used by:

- Children **under 3 years of age,**
- Persons who, due to physical or mental limitations, are unable to sit properly in the vehicle or operate it safely,
    - In exceptional cases, use may be permitted only with the operator's approval and in the presence of a responsible person (guardian or trusted companion) who assumes full responsibility for the user's safety,
- **Pregnant women,**
- Persons under the influence of alcohol, drugs, medication, or any other substances that may impair physical or mental abilities.

THE FOLLOWING ITEMS ARE NOT PERMITTED IN THE VEHICLES:

- Animals,
- Large items (backpacks, bags, etc.),
- Objects with sharp edges or pointed ends,
- Loose items that may fall out during the ride.

The use of mobile phones, taking photographs, and recording videos is strictly prohibited throughout the entire ride.

SAFETY RULES FOR USING THE ALPINE COASTER

1. Every user rides at their own risk and must wear appropriate clothing suitable for the weather conditions and free from loose or dangling elements.
2. Ride speed must be adjusted to avoid creating a hazard to yourself or other users.
    - Aminimum distance of 25 m from the vehicle ahead must be maintained at all times.
    - Colliding with another vehicle is strictly prohibited.
    - The person responsible for a collision bears full responsibility for its consequences.
3. Extra caution and increased attention are required during wet, rainy, icy, or frosty conditions.
4. Careless riding may result in serious injury.
    - Braking must be initiated well in advance.
    - At the end of the descent, riders must proceed at minimal speed.
    - Increased caution is required in the final section of the track.
5. Riders must always look ahead, keep their body aligned with the direction of travel, and must not lean out of the vehicle.
6. Pay attention to all warning signs along the track and focus on the section immediately ahead of the vehicle.
7. Instructions given by operating personnel must be followed at all times, and designated starting intervals must be observed.
    - Riding excessively slowly in a manner that creates a hazard is also prohibited.
8. Riding is permitted only in designated coaster vehicles.
    - The safety belt must remain fastened for the entire duration of the ride and must never be unfastened.
    - The front lap belt is intended solely for securing the person seated in the front seat and must never be fastened around the legs of the rear passenger.
9. The taller person, or a person riding alone, must always sit in the rear seat and is responsible for safety during the ride.
    - The rear passenger must hold both brake levers and be able to operate them freely.
    - The front passenger must hold the front handgrip.
    - Never touch the track or place hands underneath the vehicle.

10. Feet must remain on the footrests at all times (one foot per footrest), and legs should remain slightly bent.
11. Loose clothing items (hats, scarves, shoelaces, etc.) and long hair must be kept away from the track and vehicle wheels.
12. Boarding and disembarking are permitted only in designated and marked areas.
13. In the event of a stop due to operational reasons, remain calm, stay seated in the vehicle, and follow staff instructions.
14. Smoking, the use of mobile phones, cameras, and taking photographs are prohibited throughout the entire track.
    - Users are solely responsible for any loss of or damage to electronic devices.
15. Any accidents, incidents, or damage must be reported immediately to operating personnel.
16. THE FOLLOWING ACTIONS ARE STRICTLY PROHIBITED:
    - Damaging the facility, equipment, or vehicles,
    - Creating obstacles on the track,
    - Operating the facility or equipment without authorization,
    - Performing any actions that may interfere with the safe operation of the alpine coaster.
17. Operation of the alpine coaster will be suspended in the event of:
    - Visibility reduced to less than 25 m,
    - Thunderstorms.
18. **Failure to comply with these regulations or with instructions given by operating personnel will result in the immediate termination of the rider's right to continue using the alpine coaster.**
